

AION

Data Sheet Takeaway Bowl 800ml & Lid

The AION reusable Takeaway Bowl & Lid is made from food contact grade fully circular polypropylene with documented end of life for all parts.

AIONs products are integrated with AION Loop. AION Loop is a digital platform that lies at the heart of our business model to collect and utilize data from AION’s circular value chain. We ensure to know the exact material composition, follow the product throughout the full life-cycle and provide thorough ESG reporting.

Product Details

AION Product name	AION Takeaway Bowl & Lid
Material	PP Food grade
Production location	Norway
Colour	Various Options
Size (Ø x H)	Ø 173 x 64 mm
Weight, Set	~0.135 kg
Weight, Bowl	~95 g (101.3 cm ³)
Weight, Lid	~40 g (42.3 cm ³)
